SUB:- K.J. Somaiya Medical College, Mumbai - renewal of permission for admission of 4th batch of students against the increased intake i.e. 50 to 100.

Sir,
Please refer to your letter No.U.12012/71/98-ME(I), dated 20th Feb., 2003 forwarding therewith a compliance report submitted by the authorities of K.J. Somaiya Medical College, Mumbai on the deficiencies pointed out in the MCI inspection report of Nov., 2002 on the subject noted above.

This is to inform you that compliance report along with further clarification received from the college authorities was considered by the Executive Committee at its meeting held on 13/3/2003. The decision of the Executive Committee arrived at is recorded as under for your information & necessary action:-

The Executive Committee noted that compliance verification inspection report (15th Nov., 2002) carried out on receipt of the compliance on rectification of the deficiencies pointed out in the inspection report (16th & 17th July, 2002) was considered by the Committee at its meeting held on 9.1.2003 and noted that the following deficiencies still persist and decided to recommend to the Central Govt. not to renew the permission for admission of 4th batch of students against the increased intake i.e. from 50 to 100 at K.J. Somaiya Medical College, Mumbai for the academic session 2002-03:-

1. Clinical material is inadequate (Bed occupancy is 43.5% to 68% instead of 80% as required).
 2. Space available in the OPDs, like Surgery, Orthopaedics, Obst. & Gynae., Eye and ENT, Pediatrics, continue to be in the same condition. The space available in these OPDs is less and need to be increased as per MCI norms.
 3. No auditorium has been constructed so far in the college campus.
 4. The college does not have its own rural health training centre. The rural health centre at Nareshwadi which is under the administrative and financial control of the college is at a distance of 70 kms. The supervision by the Community Medicine department continues to be poor because of this distance.
- The college has provided only three rooms on the ground floor as hostel for girls at present. On the 2nd and 3rd floor the facility is meant for boys hostel. So far no girl students are staying in the hostel. This arrangement of keeping the girls hostel in the same building along with the boys is not proper.
- Accommodation has been provided for non-PG House Surgeons, Junior Demonstrators, Nursing Staff and Interns.
- For more Medical Superintendent who check the compliance report...

Sub: J. Somaiya Medical College & Hospital, Mumbai - Renewal of permission for
admission of 4th batch of students against the increased intake i.e. from 50 to 100 for

I am directed to inform you that an inspection to verify the compliance submitted by K.J. Somaiya Medical College & Hospital, Mumbai was carried out by the Council Inspectors on 7th July, 2006. The compliance verification inspection report was considered by the Executive Committee at its meeting held on 10th July, 2006 where the members of the Adhoc Committee appointed by the Hon'ble Supreme Court were also present and it was decided as under:-

"The members of the Adhoc Committee appointed by the Hon'ble Supreme Court and of the Executive Committee also observed that the Council vide its various communications, of which the last was sent on 3rd July, 2006, as well as during the course of the personal meeting with the Officers of the Ministry has stated that accordance with the directions of the Hon'ble Supreme Court in case of *Mridul Dhar V/s. In view of the above, it would be neither possible nor permissible for the Council to conduct any inspection after 15th June for that academic year.

However, the Central Government has sent a compliance report received from the institute vide letter dated 27th June, 2006. The Central Government vide another letter dated 30th June, 2006 received in the office of the Council on 3rd July, 2006 has desired that the necessary input may be sent to the Central Government. As proper, thorough & objective inputs can only be given after physical verification of the compliance, the inspection to verify the compliance was carried out on 7th July, 2006 enabling the Council to furnish its inputs to the Govt. of India.

The members pointed out that they have come to know that simultaneous inspections were carried out by the Central Government in all these institutions for which the agenda was put-up. The members also noted that vide its letter dated 27.6.2006, the Council was requested by the Central Government to send the input on the basis of compliance received from the colleges. The Council vide its letter dated 30.6.2006 had informed the Central Government that the meeting of its Executive Committee is scheduled on 10th July, 2006 and the decision of the Executive Committee would be communicated to the Central Government immediately thereafter. However, the Central Government had decided to send its own report to all these 10 institutions of which it has sent the
